

THE GREATEST QUEST

We are pleased to inform that, **SANCY BERHAD** had been nominated, selected and awarded with the **BEST BRANDS AWARDS 2021-2022 – CORPORATE EXCELLENCE in IT-HEALTHCARE SOLUTIONS PROVIDER**. This award is a recognition for leadership and commitment in building market leaders with positive brand attributes. Receiving this award means, we in **SANCY BERHAD** had demonstrated a strong leadership and resilience to overcome numerous challenges during the dark days. **SANCY BERHAD** would not have achieved without the contribution of each and every individual striving their time and efforts in making the first step for a thousand more. Dr. Izhar Che Mee, our Co-Founder, received the award on behalf of **SANCY BERHAD**. It was indeed a proud moment for us all.
